This was a particularly rare shoot, as I was aware of fellow archers actually hoping that the wind would pick-up. It was a very humid start to the day and when the sun did break through in the late morning, the 14 (ish) archers participating had already started to wilt. I refer to 14 (ish) archers, as there was some coaching taking place which made it difficult to see who was shooting and who was coaching (you know who you are!). The eventual winner was presented with the handicap trophy, despite his protestations, in the early afternoon sun.

Despite many of the club's archers taking part in the Essex FITA championships in Chelmsford, we still had 13/14 archers starting the July handicap shoot (13/14 = I noticed last month's 'coach' was this month taking on the role of a nomad: roaming from target to target. I will mention no names). The weather was not ideal, with a blustery tail wind and occasional light showers.

Next month's handicap shoot is set for Sunday 16th August. Once again please be at the field at 9.30 to allow for sighters at 10.00 am.

2nd SCAS Junior FITA Star and Metric Tournament

Paul Kears has asked me to thank all those that helped out on 11th July. It was a long day for some of us, starting before 7am and not getting home until after 7pm, but I think all will agree, that the effort was all worthwhile. A good day's shooting was enjoyed by all, with the weather being kind and records being broken (see new club records section, below). 72 archers entered the tournament, representing 32 clubs and 10 counties. Unfortunately only two of those were from Colchester, but they both did extremely well and as well as their medals they picked up a handful of club records too.

Security & Safety Reminders

I make no apology for repeating myself here. Please ensure that if you are the last person to leave the field, that all equipment has been put away and that both the huts are locked. It is also extremely important that you **do not** shoot forward of the shooting line.

SCAS Junior FITA

Further to Paul Kears's thank you to everyone who helped on (and leading up to) July 11th, I would like to congratulate Paul on another well organised shoot. The only 'criticism' that the judges could find was the long walk to the toilets, which we can do very little about (unless anyone knows where we can get some free / cheap portaloos or golf buggies)!

Archery Taster Day

Please help out at the 'Taster day' on **Saturday 1st August** if you can. We are running four sessions throughout the day, so if you can only help for 1, 2 or 3 then please do.

CADAC BBQ

This event has been set for Saturday 5th September. If you would like to come along, please let Kawa Kavian, (who has kindly agreed to be 'head-chef' for the day) or a committee member know. The price for the day is expected to be about £4 per person (depending on attendance). Please bring along footballs, cricket equipment, frisbees, kites etc. but NOT bows and arrows. This is a family fun day and all other non-target sports are welcome.

Keep an eye on the notice boards in the club hut and future newsletters for more information on these events.

If you have any information that you would like added to the next Newsletter, or any Newsletter related comments, please e-mail me, Mark Pentney, or let me know when you see me.

If possible, we would like to distribute this newsletter by e-mail, so if you are currently receiving this by post, but you can receive it electronically, please let me have your e-mail address.
