### CADAC AGM

This year's club AGM will be held on **Wednesday 8th June** at the club hut in Mill Road and will start at **7.30pm**. This meeting is open to ALL club members and is your chance to have a say in the running of the club. Should we double the fees for compound archers and halve them for longbow archers? Should we ban beards? Can we install a large neon sign on the hut roof, so that we can spot our field on google earth? If you have any suggestions like these, it would probably be better if you stayed at home. The rest of you are welcome to have a say in the running of the club, either on a 'one night only' basis or by volunteering as a committee member. If you are still not sure, Barbara has passed the following verse to me that sums it up nicely.

Am I an active member, the kind that would be missed?  
Or am I just content that my name is on the list?  
Do I attend the meetings and mingle with the flock?  
Or do I meet in private and criticize and knock?  
Do I take an active part to help the work along?  
Or am I satisfied to be the kind who just belong?  
Do I volunteer for committee and work when well and sick?  
Or leave it all to just a few and talk about the clique?  
Am I just a member but take no further part?  
Or in attendance often and help with hand and heart?

Of course, we do realise that you all have lives to lead, but the club does not run itself, so please consider helping out if you can. See the last page for more details.

### Junior FITA Star Tournament

The Junior FITA Star tournament is just over a month away and is open to all under 21 year olds. We have a few of these young prodigys at the club and this is their chance at a moment of glory. Please contact Paul Kearsse to take part in the Junior FITA Star on Saturday 9th July.

### Guest Archers

We have had a few archers that are not club members shooting at the field over the last few years. This is acceptable, but those archers must be GNAS members and pay a £3 fee each time they shoot. We will also have a book placed in the main hut, that we ask these guests to sign each time they shoot and pay. It is the responsibility of the club members that give them access to the facilities, to ensure that their 'guests' pay the fee and sign the book. Thank you in advance for your co-operation.

### Scoresheets

Our Records Officer, Lynette, has asked that all scoresheets have the name of the archer and the bow type clearly printed on the top of the sheet.

## Bill Tucker Memorial Shoot - Sunday 8th May 2011

The results of the 2011 Bill Tucker Memorial shoot are listed on the next page. Well done to everyone who participated and especially those listed in the top three. Thank you to Anna King who organised another successful shoot, although unfortunately, this was her last time as organiser. The number of those taking part was a little down on previous years, with 61 archers starting (maybe the recession is taking its toll), but it was good to see so many Colchester archers shooting (and winning medals). In fact 1/3rd of the competitors (20) were from Colchester.

The weather was OK. It was good to get the rain out of the way before the shooting started, but the strengthening wind made it a challenging afternoon, despite the clear blue skies later on.

As usual, the atmosphere was one of friendly rivalry and a good time was had by all.

A 'swarm' of Colchester archers gather around the club hut, possibly drawn-in by the impressive array of cakes.

### Winter League Scores

Well done to everyone who made it into the teams throughout the winter. Better luck next year to those that did not. Special congratulations should go to Nick Kokolski, Anna King and Innis Jephcott for finishing as highest scorers throughout the season and to Nick Kokolski (again), James King and Kevin Bailey who each achieved the highest individual score in their disciplines. One other mention should go Lynette Fisher who, once again, was the only archer to make it into all three teams over the winter months.
