The first Frostbite shoot of the winter was attended by 13 archers. For those non-attendees out there, worried about spending all Sunday morning out in the cold, it should be noted that the shooting was completed soon after 11am.

Just 6 brave, hardy archers (the bare minimum for a recurve team and half a compound team) turned-up for the last Frostbite shoot of the year. It's amazing how many people are put off by a little bit a rain (which had cleared after the first ½ dozen arrows).

From January 2010 we will be running a **new competition** for all club members. The **Ron Sharp Trophy** is named in commemoration of our former club president, who sadly passed away last year. The new competition rules are available to see in the club hut although all you need to do is just turn up and shoot each month. The date for the January shoot is Sunday 10th. As usual please be at the ground by 9.30 for 10.00 am sighters.

The 2009 **COLCHESTER AND DISTRICT ARCHERY CLUB CHAMPIONSHIP** took place on September 13th, with 25 of the club's finest archers shooting the American round. 9 of the archers stayed to compete in the Clout shoot in the afternoon. The results from that day are listed below:

A special mention goes to Steve Sheppard's Mum, who volunteered for 'guard duty' during the clout shoot to prevent anyone wandering across the field. On a far from perfect day for sitting in a field, she performed her duties admirably.
