### Colchester and District Archery Club Championship 2011

On Sunday 11th September, 26 of Colchester's finest archers took to the field despite the remnants of hurricane Katia making for dry, but less than perfect conditions. For the benefit of future generations, this photograph, shows those who braved the wind.

From left to right: Theresa Springett, Mark Pentney, Paul Sheekey, Geoff Webber, Nick Cooper, Fred Todd, Chris Buckley, Barbara Knight, Keith Treleven (you have look closely), Steve Morris, Sandra Huff, Lynette Fisher, Nick Kokolski, Nigel Brown, Anna King, Mark Huff, James King, Esmé Houchell, Glen Houchell, Dave Penny, Steven Buckley, Robert Pawlowski, Vic Watson, Neil Conner, Kevin Day. Bob Knight was also present but managed to avoid the paparazzi.

Thankfully the tail wind eased slightly when the twelve archers pictured shot the clout shoot in the afternoon. They were Steven, Mark, Nick, Nigel, James, Robert, Lynette, Kevin, Chris, Neil and Dave. See the Results section for .... erm .... the results!

### Club Field Championship

Sunday 23rd October sees our 'improvised' field shoot taking place at our Mill Road ground. Unfortunately, we are not able to provide a genuine field course this year, but we hope that our field will capture the spirit of field archery. We would be grateful for any ideas that will help to replicate field archery on a target field, or for any field targets that can be borrowed for the day. Proceedings start at 10am, although help setting-up would be appreciated.

### Membership Fee Overdue

If you still have not paid your annual membership fee, you cannot shoot again until you do. This will be your last reminder and newsletter if you do not pay for your membership.

The adjacent table shows the latest positions after the handicap scores from the club championship were added. From next month, I will start deducting the lowest 3 scores, at which time I expect to see my name drop down the table like a stone.

### S.O.S.

Which, in this case stands for **Save Our Straw** bosses. (Yes - I know it should be SOSB, but that doesn't sound as good!). As we shoot through the winter months, we tend to shoot shorter distances, which takes its toll on the bosses, so please place the targets either side of the centre whenever possible to prolong the bosses life. Each boss costs well over £100 and ultimately it is us members that pay for them.

### Bill Tucker shoot

Paul Kears is looking for an assistance (or two) in running the Bill Tucker Memorial shoot next year. Paul, who is already organiser of the Junior FITA Star, will require help leading up to May 13th. Please let him know if you can help.

### Indoor shooting

The indoor shooting season has now started and we have the use of the sports hall at the Gilbert school from 7.30 until 10.30 every Tuesday evening (except Dec.27th) until next April. It can be tightly packed behind the shooting line, so try to be aware of where other archer's bows and bow stands are. Also, please help put the targets away when the shooting is finished and do not just leave it to the same people each week.
